## ABOUT/公司介紹

公司於 1991 年成立，起初先投入彈簧相關生產設備，專注於各項彈簧產品，後續又陸續投入沖床、車床及塑膠射出設備，引進最新的生產設備，像是 CNC 無凸輪萬用機、雙軸沖床、軸節連桿沖床、津上車床、威猛巴頓射出機及機械手臂。產品應用在汽機車零配件、自行車零件、安全配件、電子電器配件、園藝工具運動器具、醫療器材、手工具等零配件製造加工。品質方面引進顯微鏡、投影儀、2.5D 自動測量儀、荷重機、維式硬度機、洛式硬度機、扭力測試機、鹽霧測試機、耐久測試機、萬能測試機，並取得 ISO 9001:2015、ISO 14001:2015 品質及環境管理證書，以及 IATF 16949:2016 汽車產業品質管理系統認證。

Established in 1991, the company was initially equipped with spring manufacturing facilities and engaged in manufacturing all types of springs; subsequent expansions included stamping press, lathe and injection molding machines, adopting the newest production facilities such as ram-less universal CNC machine, double crank press, knuckle joint press with link drive, Tsugami Lathe, Wittmann Battenfeld injection machine and robotic arms. Our products are widely used for manufacturing automobile/motorcycle parts, bicycle parts, safety accessories, electronic and electrical accessories, gardening tools, sports equipment, medical devices, hand-tools, etc.

## CORPORATE

## PHILOSOPHY/企業理念

自創立以來，即以強烈的企圖心，全力投入生產技術及品質管理的提升，並不斷朝自動化及無人化的目標邁進，以提高產能增強競爭力，積極擴展至更精密的產品範疇。從接單、設計到製造過程，經由改善機械製程，增購更現代化的設備，並投入嶄新的檢驗儀器，提供優質的產品及專業的售後服務，為客戶提供更完善的客製化需求，並持續提升企業韌性以達永續發展。

Ever since our establishment, we have ambitiously injected our full power for escalating production technologies and quality management, continuously marching towards objectives of automation and unmanned operations, for increasing productivity and competitiveness and for an active expansion into the realm of precision products. Starting from order reception, design and up to the manufacturing process, we offer quality products and professional after sales services for overall compliance to customized requirements, thereby continuously enhance our corporate tenacity for achieving sustainable developments.
